

projectWorks, LLC Named and Ranked 21st among Nation's Top 500 Emerging Business List

(FREDERICK, MD — JANUARY 8, 2008) In recognition of the economic power of multicultural businesses, DiversityBusiness.com, the nations' leading multicultural internet site, recently named projectWorks, LLC as one of the "Top 500 Emerging Businesses in the United States (Div500)".

The Div500 is the 8th annual listing of the Nation's top 500 emerging businesses under a million. The companies listed on the Div500 represent the Nation's emerging multicultural earners and challenge the long-held notion that a small business is small or insignificant. Major corporations wishing to increase spending with small and diversity - owned companies seek after Div500 members.

projectWorks, LLC will be honored at a special awards ceremony at DiversityBusiness.com's "8th Annual Multicultural Business Conference", taking place April 23 - 25, 2008 at Disney's BoardWalk Resort in Orlando, Florida.

The Impact of Small Business

"Small businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

Affected by recent economic and demographic trends and changes, Fortune 1000 corporations throughout the country have recognized that buying products and services from small and diversity-owned companies positively impacts their business. Small businesses contribute over \$1.4 trillion in sales to the U.S. economy.

"We are delighted to have projectWorks recognized with this award, after nearly ten years of successful business operations. This award validates the success of our long-term business relationships with our clients" said Alex Canizales, CEO of projectWorks, LLC.
